Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Mr. Corso noted that the time period for response indicated by the examiner on the PTO-326 (Office Action Summary) mailed 4/2/04 was 2 months and asked whether the correct time period was in fact 3 months. The examiner agreed that she inadvertently incorrectly stated that the time period for response was 2 months. Given that the office action is a non-final office action as indicated in item 2b) of the PTO-326 as well as paragraph 1 of the office action, the correct time period for response is 3 months. Examiner stated that a correct PTO-326 would be faxed to Mr. Corso.

Further, in response to Mr. Corso's inquiry, the examiner stated that a translation of SU 1509388 was currently being obtained and that a copy of the translation would be faxed to Mr. Corso as soon as received by the examiner.
